

ST. AUGUSTINE'S 2023 CHRISTIAN OUTREACH GRANT RECIPIENTS

St. Augustine's has a long history of service to others and working for social justice – commitments which underpin our Christian discipleship. St. Augustine's grant program is the means by which we commit a portion of our treasure to support the important work of organizations striving to make our world a more equitable one. Every year St. Augustine's Christian Outreach Commission makes grants to worthy community-based local organizations engaged in God's work of helping those who may need a helping hand.
